DISCIPLINARY QUESTIONS

Before answering the next questions, read the following:

The fact that a conviction has been pardoned, expunged, dismissed, deferred, reclassified or that your civil rights have been restored, does not mean that you answer this question “no”; you would have to answer “yes” and give details on each conviction.

1. Since your license was granted or your last renewal, whichever is later, have you been arrested, convicted, entered a plea of guilty, nolo contendere or no contest or have you been sentenced, served time in jail or prison, or had prosecution deferred in any felony or undesignated offense?

Yes No if yes, provide a **written explanation** of the details of each conviction and sentence. Return the written explanation, a copy of the police report and court documents for each conviction indicating type of conviction, conviction date, and sentence including the date of absolute discharge of the sentence for each **felony** conviction with your application.

2. Since your last renewal, have you had any drug or alcohol related arrests or convictions?

Yes No if yes, provide a **written explanation** of the details of each conviction and sentence. Return the written explanation and court documents for each conviction indicating type of conviction, conviction date and sentence

3. Are you currently under investigation or is a disciplinary action pending against your Athletic Training license you hold in any state or territory of the United States?

Yes No if yes, include a detailed explanation and a copy of the paperwork regarding the current investigation or pending disciplinary action with your application.

Please be advised that failure to provide the requested documents will delay the processing of your application.

I understand that my application is a public record. Further, I authorize all current and previous employers to release all relevant information about my employment to the Board (including moral character competency and reason for termination of employment, if applicable). I further state that all statements made by me and exhibits attached within this application are true, complete, and accurate.

The fingerprint cards submitted with your application will be used to check the Federal Bureau of Investigations (FBI) criminal history records to determine your suitability for licensure. FBI criminal history information obtained as a result of fingerprinting often has arrest information but no disposition of charges listed (i.e. “dismissed”, “convicted”, etc.). If the official record received by the Board reflects an arrest, you will be required to provide official documentation obtained from the court regarding the disposition of the arrest, even if the charge was ultimately dismissed.

In the event you feel your criminal history record is inaccurate or incomplete, you will be afforded the opportunity to challenge the accuracy of the record and assure that the record is complete, pursuant to Title 28, Code of Federal Regulations (CFR), section 16.34.
